

RE: 2021-2022 Membership

Dear Prospective Chamber Member,

It is once again time for our annual Chamber of Commerce membership drive. We would be honored if you would consider joining the Wellsville Chamber of Commerce, so we can partner with you to make the 2021-2022 membership year a great for your business! Over the past several years, we have been working to build and grow our Chamber as well as the resources available to our members. We have made updates and improvements to our website [www.wellsvillechamber.org](http://www.wellsvillechamber.org) making it more user-friendly and informative. We communicate ongoing updates of community announcements and activities through social media. The Chamber has recently been working to improve our communication of community announcements to members, the Wellsville community and the surrounding areas through the Wellsville Community News, in collaboration with USD289 and the Wellsville Joint Recreation Commission. Most recently we have joined forces with the Wellsville Health Coalition, which has allowed us to collaborate on several community projects, and has also allowed us to bring in a part-time Coordinator via a grant. We are excited to have Lorrie Glass Coffman as the WCC/WHC Coordinator who will provide dedicated time to help support both groups with more timely communications, promotion of activities, and explore grants and other funding opportunities to allow for additional support to your business and community.

2020 was a year unlike anything we could have imagined. We were unable to host several of our normal activities including the Wellsville Chamber Golf Tournament, The Wellsville Car Show, The Chamber Wine and Brew, and Holidays in Wellsville. We are excited to see the return of these events to the 2021 calendar and continue the positive impact on our community. Beyond our annual events, we participate in several other community events and activities including Hallowesta, Wellsville Summer Reading Program, Student Support Services, Wellsville Days, Wellsville FBLA, and many others.

In our efforts to support your business and help you grow, we are inviting you to join the Wellsville Chamber of Commerce for the 2021-2022 membership year. Attached is the membership form, which outlines the membership levels, benefits to each level and also serves as an invoice for your annual dues. If your membership dues are paid in full by our Annual Meeting on August 10, 2021, as a Gold member, you will receive two complimentary tickets to our First Annual Chamber Mixer at Buck U Distillery on the evening of September 30, 2021. Regular members will receive one complimentary ticket. Additional tickets may be purchased at the regular Chamber meeting or by contacting Lorrie at [info@hourglassfitnessandwellness.com](mailto:info@hourglassfitnessandwellness.com).

We encourage you to join us during our monthly meetings on the 2<sup>nd</sup> Tuesday of every month at noon at the Wellsville City Library and via Zoom. We are looking forward to another great year!

Sincerely,

Nicole Vlcek, Wellsville Chamber President
