

RE: 2022 - 2023 Membership

Dear Chamber Partners,

Thank you for your continued investment into the Wellsville Chamber of Commerce. With your support, the Chamber has had an amazing year. In recent years, many of us wondered if the Chamber would survive. Now, we're actively looking to the future! We know businesses don't stand still, nor can we. Our role in the community is to understand the forces that are shaping the way business is done in 2023 and beyond. We want to partner with you to find additional ways to help make your business successful.

It is once again time for our annual Chamber of Commerce membership drive. We would be honored if you would consider renewing your membership to the Wellsville Chamber of Commerce, so we can partner with you again. Over the past several years, we have been working to build and grow our Chamber as well as the resources available to our members. We have made updates and improvements to our website [www.wellsvillechamber.org](http://www.wellsvillechamber.org) making it more user-friendly and informative. We have added a Chamber newsletter to help communicate ongoing updates of Chamber members and our community announcements and activities. We also use social media to convey events and celebrations. The Chamber has been working closely with the USD #289 school district and the Wellsville Joint Recreation Commission to communicate their events to give Chamber members a "heads up" as to when business traffic will be increased. We have also launched our Chamber sign advertising program to give Chamber businesses a presence on K-33. We are always exploring and implementing new ways to provide additional support to your business and our community.

In our efforts to support your business and help you grow; we are inviting you to join the Wellsville Chamber of Commerce for the 2023 membership year. Attached is the membership form, which outlines the membership levels, benefits to each level, and also serves as an invoice for your annual dues.

We know there's so much more we can do and with your continued support and collaboration, we'll make the 2023 Chamber year even better than this past year! Your investment in the Chamber allows us to be a catalyst for business growth, a convener of leaders and influencers, and a champion for a stronger community. We look forward to working with you in the year to come!

We encourage you to join us during our monthly meetings on the 2<sup>nd</sup> Tuesday of every month at noon at the Wellsville City Library and via Zoom.

Sincerely,

Susan Stueve, Wellsville Chamber President
